We are proud to stand with more than 50 national organizations to urge Congress to act quickly to restore Keep Kids Fed Act for [#childcare](#) [#HeadStart](#) [#CACFP](#) [#KeepKidsFed](#) <https://bit.ly/3rrEGtO>

Without Congressional action we will see  in young children & even providers going to bed hungry. We will see  burdens placed on families as access to quality, affordable [#childcare](#) is already threatened. We can not stand by and allow this to happen. <https://bit.ly/3rrEGtO>

The [#ece](#) workforce in [#EarlyHeadStart](#), [#HeadStart](#), [#childcare](#) centers & [#familychildcare](#) works tirelessly to ensure children do not go hungry & have opportunities to learn & grow, all while 1 out of 3 is herself food insecure. In 2022 Congress passed bipartisan [#KeepKidsFed](#) Act. The [#childcare](#) crisis continues, the adversities of food access have not been alleviated, and the essential provisions for [#CACFP](#) ended on June 30, 2023. Congress must act now. <https://bit.ly/3rrEGtO>
